We ask that children bring a strong plastic bag to place their wet items in once the swimming lesson is finished. Please remember to give your swimmers a rinse and put everything out to dry so it is ready for the following day.

WORKING WITH CHILDREN FORM FOR PARENT HELPERS AND VOLUNTEERS
This week we have a “Working with Children” Form accompanying the newsletter for any parents who do work at the school in a voluntary capacity eg: class parent helpers, canteen, uniform shop, etc. This form is also for any parents considering helping out at the school in any capacity in the future, eg Try-Athlon. Please fill in the form and return to school at your earliest convenience.

NHPS TRY-ATHALON FUNDRAISER
Congratulations to Toby and Keonie Adams who together raised $128.00, have already collected the money and brought it to school. This is a great start to raising the money for our school signs. Keep up the great effort everyone!

If parents can make themselves available on the morning of Thursday, 29th October we will need assistance with marshalling and directing children in the right direction around 3 separate courses. If you are available please fill out the slip on the back of the newsletter and return it to the front office.

OCTOBER P & C MEETING
The P & C Meeting will be held tonight at 7.00pm in the school library. All parents and carers are welcome.

CANTEEN, PARENTS AND VISITORS TO CLASSROOMS
All parents and visitors are requested to report to the office during school hours. Parents and visitors are not to go directly to classrooms, you will need to come to the front office and sign in first and collect a visitors badge.
TTFM PARENT & STUDENT SURVEYS
The Tell Them From Me online survey closing date for parents has been extended to Friday, 23rd October. If you would like to have your say in a survey that will have a great deal of bearing on our future school plan, please take the time to complete the 15 minute survey. The log on details are as follows:

ED PLUS
Unfortunately, we will have to cancel Ed Plus this year as we do not have enough volunteers to make all the groups small enough. We appreciate that there are many working parents. Thank you to all those parents who were able to volunteer their time. We will try again next year.

Many thanks to Mrs Bellamy who volunteered to take on the organisation and work involved with Ed Plus as an extra curricular activity at our school. Mrs Bellamy, your time and efforts are much appreciated.

CLASS 2/3
Mrs Bellamy will be away for the remainder of this week and, most of next week recovering from a knee operation. We wish her a speedy recovery. Mr Ron Letters will be teaching class 2/3 during Mrs Bellamy’s absence.

FRIDAY ASSEMBLY
Assemblies will commence at 2.00pm every Friday.

NEW PROJECTOR
The school had a soundbox upgrade and a new projector and motorised screen installed by Sight’n’Sound last week. It makes for a slightly new and fresher look to our weekly assemblies and will be a fantastic resource in the coming years.
