The creative juices have been flowing at Nowra Hill Public School during the last few months. Baskets have been woven, tiles cut and glued and art competitions entered!

During Term 3, students in class 4/5 made free-form baskets. Their imaginative creations were fantastic!

In October, a number of Defence children joined the mosaic group as part of Ed Plus. As well as making a mosaic hanging to take home, the students made 2 mosaic panels to present to the school.

A number of students from Nowra Hill entered the RSL ‘ANZAC Art Awards’ competition and 2 lucky students had their artworks selected for the final judging round for their particular age category.

*Kids Club* is still very popular with the students. Many spend some of their lunchtime in the library playing games, colouring-in, or making craft.

The School Concert and Presentation Night is tonight! The teachers and students are very excited. Hope to see you there.

This term we farewell Tom B, Maddison S, India P, Eric O, Emily M and their families who are all leaving Nowra Hill. India, Eric and Emily are moving onto high school, whilst Tom and Maddison will continue their schooling at new primary schools. We wish them all the very best of luck in the future.

Finally, I’d like to thank all of the Defence families for the support you have given me over the last 12 months. Merry Christmas and I hope you have an enjoyable and safe holiday.

Leanne Millard, DSTA
